

DIVAS

Digital Voucher Approach System

A SaaS Product Made For NGOs

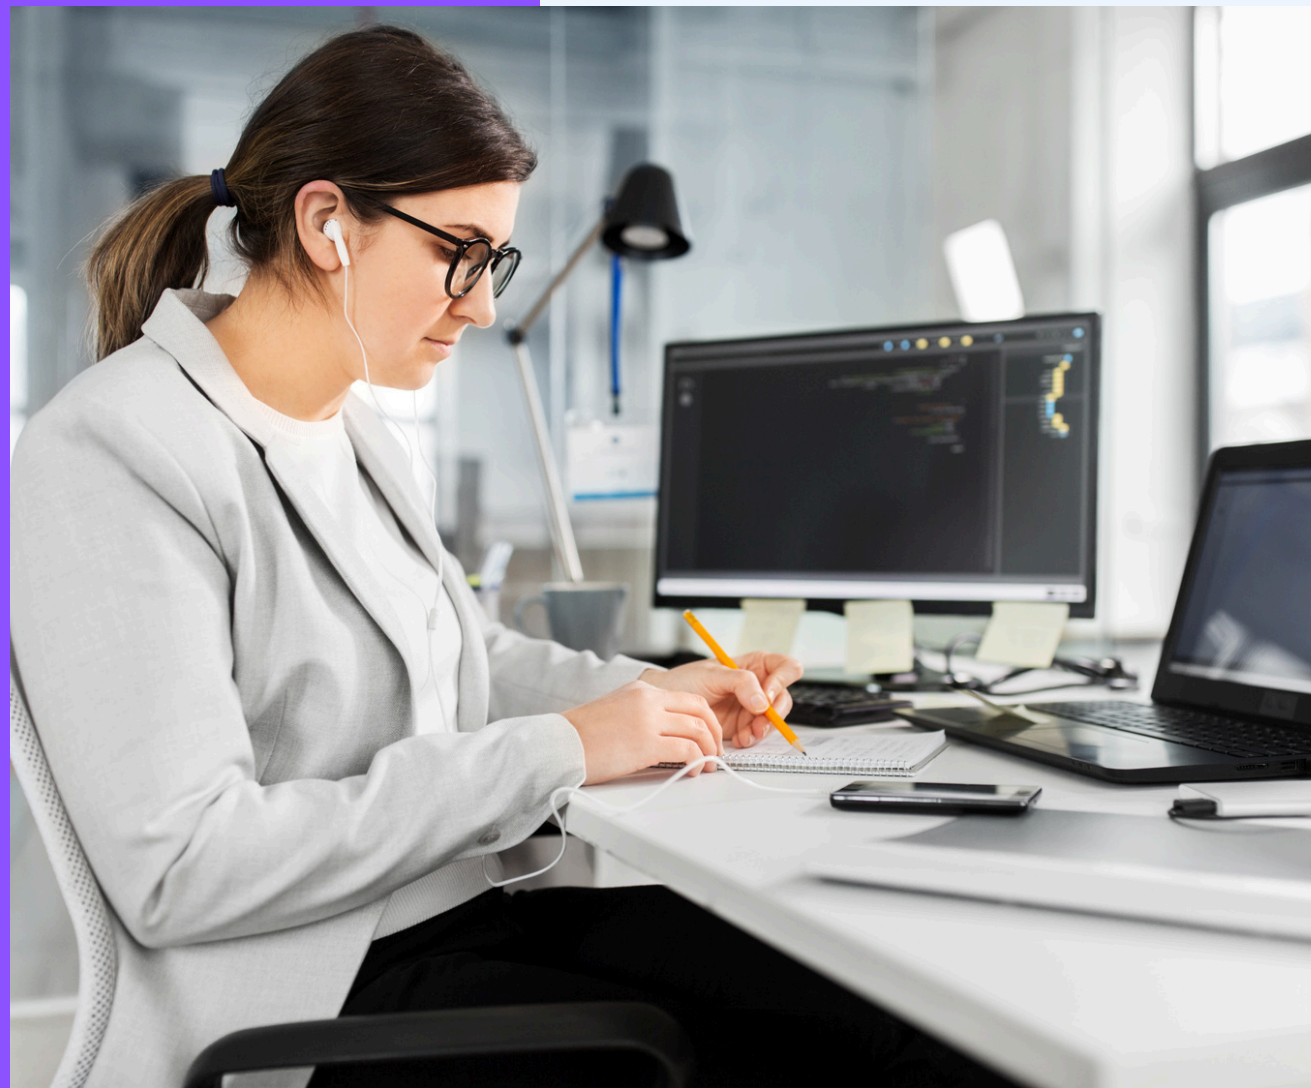

ABOUT

DIVAS

Overview: DIVAS SaaS is a cutting-edge workflow management software designed specifically for finance, expense, and approval processes of NGO. Our platform streamlines operations, ensuring efficiency, accuracy, and transparency across all financial workflows.

Mission: To empower NGOs with seamless and efficient financial workflow management, enhancing productivity and ensuring compliance through robust and intuitive software solutions.

SERVICES

Best in technology

✓ Finance Management

Our finance management module simplifies the tracking and management of all financial transactions for NGOs. It integrates seamlessly with your existing financial systems to provide real-time insights and comprehensive reporting.

✓ Expense Management

The expense management feature automates the tracking and approval of expenses of NGO. Employees can submit expense reports effortlessly, and managers can approve them quickly, ensuring timely reimbursements.

✓ Approval Process

DIVAS SaaS offers a flexible approval process that can be customized to fit your NGO's hierarchy and workflow. With multiple approval levels, you can ensure that all transactions are reviewed and approved by the right stakeholders.

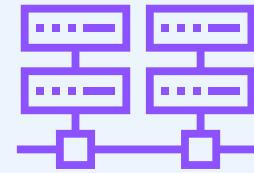

FEATURES

Mobile Accessible SAAS

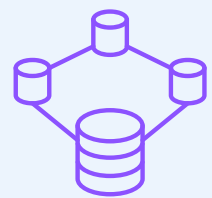

User-Friendly Interface

Intuitive interface ensures that users can navigate and utilize the software with ease, reducing the learning curve and enhancing productivity.

Real-Time Analytics

Get real-time insights into your financial data with our advanced analytics and reporting tools. Make informed decisions with up-to-date information.

Secure and Compliant

Built with robust security protocols to protect your data. Ensure compliance with all relevant financial regulations, giving you peace of mind.

Integration Capabilities

Easily integrate DIVAS SaaS with your existing systems and software. Our platform supports a wide range of integrations, ensuring seamless operation.

ANALYTICS

Comprehensive Reporting

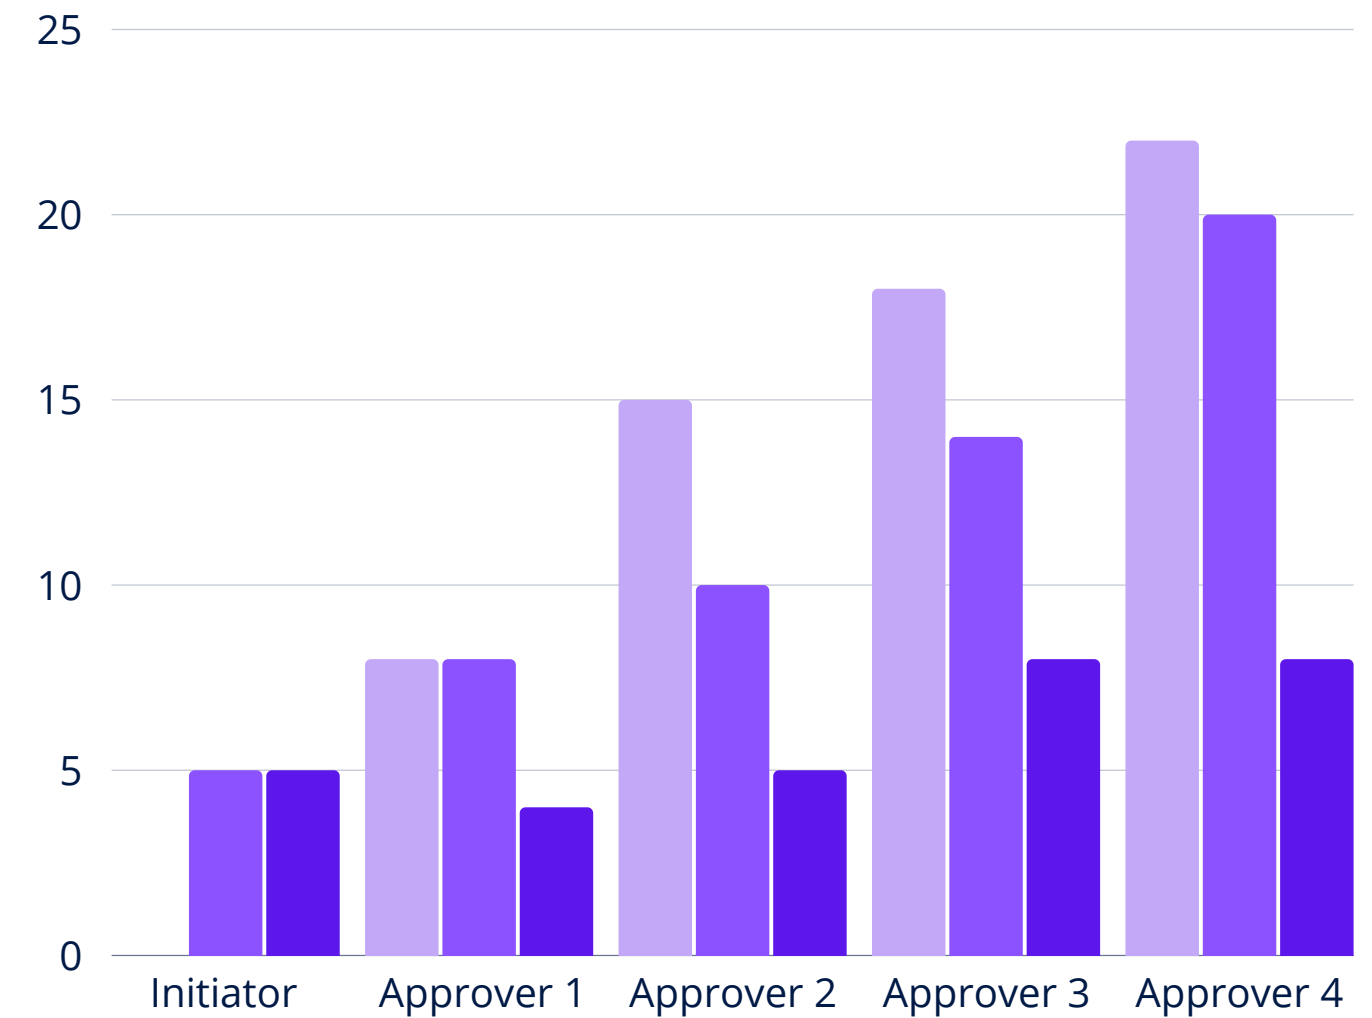

DIVAS analytics module provides detailed reports on all aspects of your financial workflows. Track your NGO's expenses, approvals, and financial performance with ease.

Customizable Dashboards

Create custom dashboards to monitor the metrics that matter most to your organization. Visualize data in real-time and gain actionable insights.

Data-Driven Decisions

Leverage data to drive your decision-making processes. Our analytics tools help you identify trends, spot anomalies, and optimize your financial workflows.

DIVAS Dashboard Layout

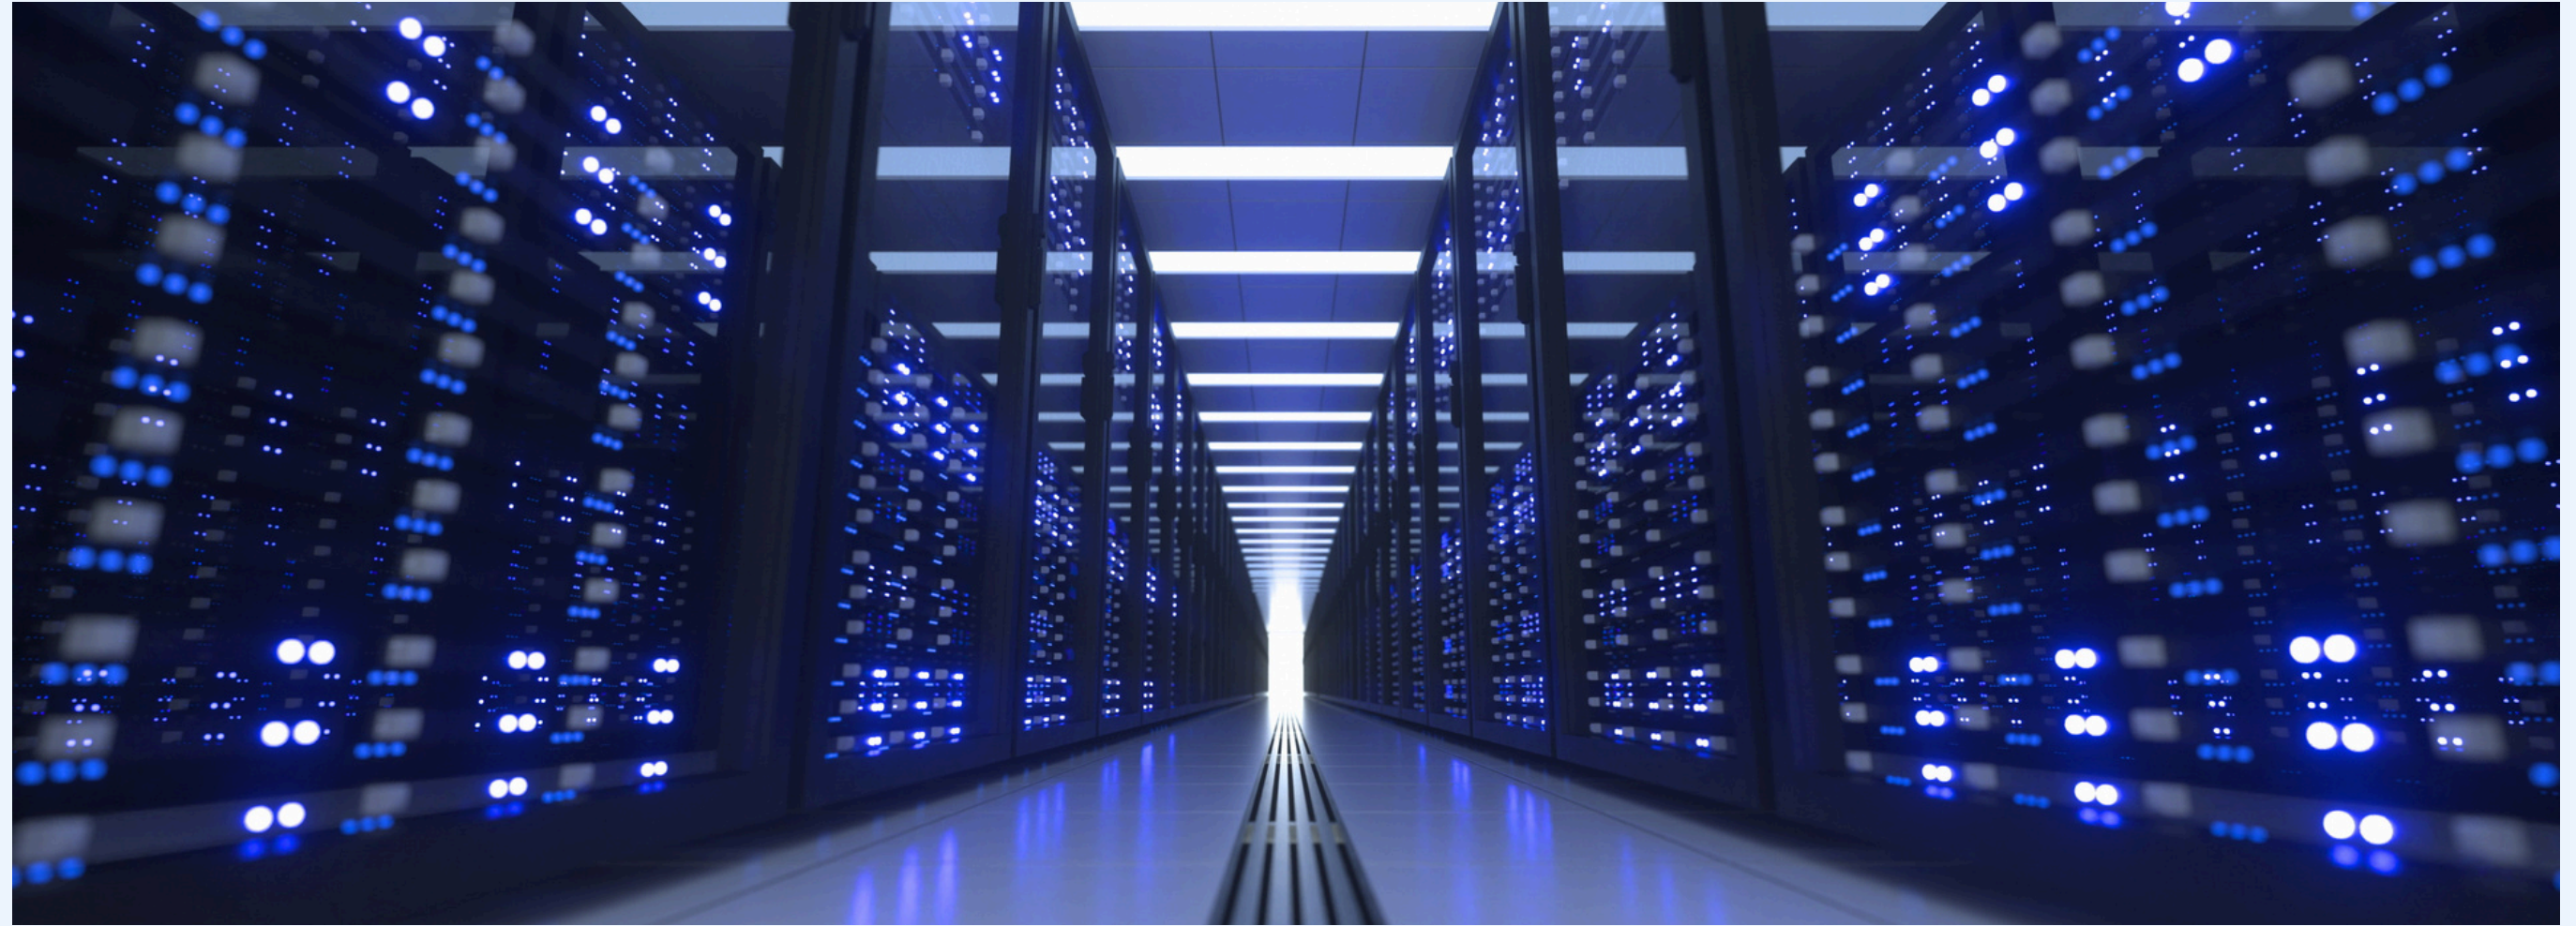

The screenshot displays the DIVAS Digital Voucher Approval System interface. The top header includes the DIVAS logo, the title "Evaluation Tab View", a status dropdown set to "Active", a notification bell, and the user profile "Divas Super Admin".

The main content area features three cascading dropdown menus:

- Process:** Currently set to "Dhwani Foundation V1". A search bar is present above the list. The list includes: Search Process, HHT, NAMCO, PCT, BREDS, HAS, SVDS, SASS, AHT, MF, GSS, COODU, RMRS, Dumy_Stage, EFEF, REDS, Prime Trust, Maya, SSF, and LAW Trust.
- Sub Process:** Currently set to "Sub Process". The list includes: Sub Process, MIS and Technology, Niranthara Sahayak TN, Niranthara Sahayak KA, Niranthara Sahayak AP, Updeshak, Niranthara Lite KA, Niranthara Lite TN, Niranthara Lite Odisha, Niranthara Lite Federations, DrishtE, Donor Engagement, Federation OD, Niranthara Classic Odisha, Niranthara Classic Jarkhand, Niranthara Classic Odisha interest, Niranthara Classic Jarkhand Interest, Finance & Admin, Alumni, and HR.
- Sub Sub Process:** Currently set to "Sub Sub Process". The list includes: Sub Sub Process, Niranthara Sahayak KA Less than 20k, Niranthara Sahayak KA 20k to 2L, Niranthara Sahayak KA 2L to 5L, and Niranthara Sahayak KA More than 5L.

A red arrow points from the text "Process / Voucher Approval Tabs" to the Sub Sub Process dropdown menu.

Process / Voucher Approval Tabs

Protected Server Facility
